In addition to the class finishing position points (above) each contender can score **bonus points** - 1 bonus point will be scored for each **DMC Championship** competitor beaten in your class, **this includes non-finishers**, but non-starters do not apply to this bonus total. Up to a **maximum of 5 points per event.**

A total of **10 Bonus Points** are available during the year to a driver or a co-driver as detailed below

- Compete in the club's own events – **1 point** per event (total of **2 points for 2 events**)
- Act as a marshal, official or assist with set up on any of the championship events – **2 points**.
  This can be awarded three times (i.e. 3 x 2 points) but one of the events MUST be a DMC organised event if you are to be awarded the full 6 bonus points.
- Register in either/both EMAMC or ANEMMC championships – **1 point** per registration (total of **2 points** if competitors register for both championships)

The Championship Points tables will be published at regular intervals during the year in the Dukeries Newsletter and on the Club Website. The championship scorer will calculate the scores for each event. However, should there be a query regarding your points total, it is the competitor's responsibility to bring this to the official's attention. Endeavour's will be made to avoid mistakes.
